**NOTICE OF EX PARTE COMMUNICATION**

Pursuant to Rule 8.4 of the Commission's Rules of Practice and Procedure, the Greenlining Institute (Greenlining) hereby gives notice of the following *ex parte* communication.

On March 15, 2016, at 1:00pm at the CPUC in San Francisco, Carmelita Miller from Greenlining met with Matthew Tisdale, advisor to Commissioner Florio. Ms. Miller then met with Sean Simon, advisor to Commissioner Randolph, at 3:00pm at the CPUC in San Francisco. Each meeting lasted approximately 30 minutes. Each communication was oral and no written materials were used during either meeting. Both meetings were initiated by Greenlining

Greenlining discussed how the Commission may strengthen statewide marketing, education and outreach (ME&O) to benefit California's communities. Greenlining iterated its position supporting an inclusive and transparent Request for Proposal process for statewide ME&O. Further, Greenlining stated that the Commission should support an expanded role of community-based organizations in providing ME&O to members of the community. Lastly, Greenlining urged that ratepayer funds earmarked for ME&O must be spent effectively and transparently.

Respectfully submitted,

/s/ Carmelita L. Miller
